Description: Mushkie has a sunny disposition and is always happy to lend a hand. She is an attractive, vivacious young lady with a good heart and desire to help others in need. She spends her time organizing showers for Kallahs, farbrengens for her former classmates, and loves to learn. Her hobbies include exercise, art, and yoga. Her priorities are family, running a home based on Torah values, giving children a proper chinuch by being a dugma chaya, and doing acts of chesed.

Seeking: A young man whose priorities are similar: family comes first, a home run on Torah Values, a strong connection to the Rebbe, and a love of learning Torah. He should be honest, kind-hearted, stable in his Yiddishkeit, and interested in the world in which we live.
