Shaina is 21 yrs old. She comes from a BT family and has 8 siblings. Shaina is #7 in the family. 3 of her sisters are married. Shaina is a pretty 5'4", slim, strawberry blond young lady who is frum and dresses simply and modestly. Shaina is warm, family oriented, a good friend, hard worker, and very organized and pragmatic.

Shaina is a Bais Rivkah graduate and went to Midreshet Schmu'el seminary, a Torah learning and performing arts program headed by Rachel Factor in Yerushalayim and affiliated with Rabbi Moskowitz' Kollel community. Alongside her studies, Shaina studied in Orh Chana enjoying the Chassidus shiurim very much.

Shaina was a para at Lamplighters last year and is a para for the second year in Bais Rivkah. She is in her 2nd year at Touro's pre-med undergrad program. She is studying toward becoming a doctor. It is her dream to be a healer and treat each person as a soul not as a patient. "I believe it is possible to be a wife, mother, and a doctor, although being a mother and a wife is my first priority."

She would like to meet someone who works, preferably in medicine, law, or business professionally who shares her values and wants to grow in Yiddishkeit. Looks and weight are not necessarily important to her. Her interests include music, singing, swimming, nature walks, biking, writing, and reading.
