She was born and raised in Paris, France and speaks fluent French, English, Yiddish and Hebrew. Slava is the 6th of 10 children ka'h, in a very happy and well balanced family. She has very warm and positive relationships with each of her siblings and is known to be a very thoughtful and caring aunt to each of her numerous nieces and nephews.

Slava and her family were raised with high Chassidische standards but with a warmth and openness towards everyone, regardless of their level of Yiddishkeit and Chassidishkeit. Slava is Chassidish and has a very good heart. She is a very eidel, warm girl and a loyal friend. She is worldly and well informed. Slava dresses in a stylish manner but is always tsniusdik in her dress, speech and actions. She is very responsible and is always mindful of the feelings of others.

Slava is looking for a Chassidische, freiliche bochur who is smart, has a good heart, with common sense and very good midos.
