Tirtza is a very warm, intelligent, grounded and committed person. She is an outstanding daughter, sister, and friend. She personifies the wonderful qualities of a true bas Chabad. Capable, talented, and reliable only scratch the surface of the qualities inherent in her Tznius nature. She is excited about yiddishkeit and loves to learn. Tirtza is adventurous and spontaneous as well. (She is a balabusta extraordinaire!!) A very talented cook and baker. Tirtza enjoys cleaning and organizing. (Her grateful mother has many jealous friends) Her lovely guitar playing is self-taught. Some hobbies include: Music, scrapbooking, traveling to visit friends and family, nature walks, baking, shopping. Looking for someone shlichus minded. Adventurous, grounded, honest, compassionate, smart, a happy person and mekushar to the Rebbe.
