

B"H

Yakov Kulik is a nice chassidishe bochur. He is 28 years old. Yakov is 6 feet tall, very healthy and energetic. He is a Kohen, FFB from FFB family. Yakov does Chitas, 3 chapters Rambam, he always learns all concepts from Torah in great depth. We come from an old Lubavitch from family of Rabbonim and scientists. The family always stayed frum in Russia despite the surrounding atmosphere.

Yakov is a kind, warm, chassidische bochur, who is focused and serious in his learning. He loves to devote his own time to help a Jew to fulfill a mitzva or to learn. He like to go on mitvzoim and utilize every opportunity to mekarev a yid, to bring another yid closer to yiddishkeit. He always meets a yid by hashgocho protis in the most unexpected places.

He is very devoted to the Rebbe, doing everything the Rebbe has taught us to do. Yakov is very successful in everything he does and is ready to relocate anywhere in the world where the Rebbe's shlichus will take him.

What is he currently doing:

Currently Yakov finished his learning for smicha and just doing chazoro (review) before taking 2 more tests to receive smicha.

From Pesach 5770, he has been a Shaliach running a Chabad house for Russian Jews in Redfern. One of the unique qualities that he possesses is an ability to listen to people's problems and helping them to find the best possible solution.

Yakov was assisting a Shaliach at Kensington Shul Chabad, a Chabad House

established from Kislev 5768 for a South African Jewish community in Kensington in Sydney. Yakov is running the Chabad house in Kensington, Sydney as of Shavuos 5772. He never gives up, so he felt that the Chabad house has been started and it should continue in order to bring people closer to the Yiddishkeit.

He has been a counselor at Gan Yisroel summer and winter camps in Sydney and in New York in 2009 and 2011. Kids love him for his patience.

What kind of a girl is he looking for:

- Frum from birth and from a frum family with good yichus, chassidische (mitzvos behidur, careful with tznius, good midos, yir'as shamayim)
- Wants to go on shlichus.
- organized, pleasant character,
- does everything with joy
- Always sees the best in people, can find something positive,
- Has a compliment to say about anybody.
- will be a devoted wife and mother,
- Wants to help her future husband always and in everything.
- Flexible and adapts to whatever challenges occur in life and understand everything is hashgocho protis, always calm and confident from bitachon in Hashem.
- Devoted to the Rebbe and fulfilling all the Rebbe's hora'os and doing all we can to bring Moshiach.
- a girl who like Yakov wants to go on the Rebbe's shlichus (open to living in different places like Australia, USA, Israel, etc, and ready to go where the Rebbe wants to send us on shlichus and to fulfill the mission that the Rebbe wants us to fulfill)
